

**What You Need to Know About SchoolsFirst Federal Credit Union
Overdraft Protection and Overdraft Fees**

What is overdraft protection?

Overdraft protection refers to when the available balance in an account isn't enough to cover a transaction and SchoolsFirst FCU pays it on your behalf so it's not declined.¹

We offer two types of overdraft protection to prevent your transactions from being declined:

1. Standard overdraft protection that comes with your account.
2. Alternative overdraft protection plans, such as linking to a savings account or an Overdraft Protection Loan.² These options may be less expensive than our standard overdraft protection. To learn more, ask us about these options.

What is covered in the standard overdraft protection that comes with your account?

Standard overdraft protection allows us to potentially authorize and pay overdrafts for:

- Automatic withdrawals.
- Checks.
- Transactions made using your checking account number.

Debit Card Overdraft Protection is also available, but we do not authorize and pay overdrafts for debit cards unless you ask us to. (Opt-in or opt-out information and form below.)

How to add Debit Card Overdraft Protection for debit card transactions:

If you want us to authorize and pay overdrafts on debit card transactions, you must opt in to Debit Card Overdraft Protection by:

1. Logging in to Online or Mobile Banking; or
2. Completing the opt-in form below and bringing it to any branch or mailing it to:
SchoolsFirst FCU, Attn: Payment Operations
P.O. Box 11547, Santa Ana, CA 92711-1547.

You may cancel your authorization (opt out) at any time through the same methods mentioned above.

What fees are charged if SchoolsFirst FCU pays your overdraft?

Under our standard and Debit Card Overdraft Protection practices:

- \$22 fee per transaction.
- Fees are only applied if your account is negative more than \$10 and the transaction is over \$10.³
- Fees are limited to a maximum of three per share, per day.
